Generalization of the world experience in production and promotion of food products is the key directions of the business program of the exhibition, in which speakers from near and far-abroad will share know-how for creating an effective product portfolio and retail.

The program also provides for numerous competitions-tastings, professional competitions for the title of the best confectioners and tours to the world's leading confectionery competitions.

Belarusian hospitality and convenient geographical location of Belarus make *PRODEXPO* a productive platform for dialogue and development of the food industry. From year to year, *PRODEXPO* is visited by an increasing number of foreign official guests in order to conclude as many contracts as possible for the purchase of food and related products.

*PRODEXPO 2019* is a professional platform demonstrating the latest trends in the development of the food industry and retail. Participation in the exhibition *PRODEXPO* is a guarantee of your business growth! We invite everyone to Minsk for *PRODEXPO-2019*!
